Fast downloads Retrieved 2013-06-14 • ^ Birchmeier, Jason (2004-06-29) Retrieved 2013-06-16.. @TokeUp420, what a retard, there isn't enough room on the internet to express what a fool u are! Do u know what emo is? Obviously not!! I thought humans where an evolved race but ur proof otherwise! Prodigy are one of the greatest groups of all time, as for your shitty rapper, to have a discography u have to make more than one album, I wonder if this 'artist' even managed to string together enough random words to call an album! Take urself to the doctor and ask to be put down, i'm sure he will oblige u!.
